## Ethnicity Form

Our ethnic background describes how we think of ourselves. This may be based on many things, for example, our skin colour, language, culture, ancestry or family history. Ethnic background is not the same as nationality or country of birth.

The Information Commissioner recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents, or those with parental responsibility, are requested to support and or advise children aged between 11 and 15 years of age in making this decision; pupils aged 16 or over can make this decision themselves.

Please study the list below and tick one box only to indicate the ethnic background of the child named in the Registration Form attached to this form. Please also tick whether a parent or the child filled in the form.
